Required Equipment and Supplies for EMT Basic, Intermediate and Paramedic Courses

<u>Quantity</u>	<u>Description of Item</u>	<u>Notes</u>
1_____	Paramedic Shears/Bandage Scissors	_____
2_____	Bag-Valve-Mask w/O2 reservoir – Adult	_____
1_____	Bag-Valve-Mask w/O2 reservoir – Pediatric (1 per 10 students)	_____
1_____	Bag-Valve-Mask w/O2 reservoir – Infant (1 per 10 students)	_____
1_____	Set Oropharyngeal Airways- assorted sizes (infant & adult)	_____
1_____	Set Nasopharyngeal Airways- assorted sizes (infant & adult)	_____
1_____	Resuscitator, Oxygen w/demand valve & flow control	_____
1_____	Regulator, Oxygen with humidifier attachment Advanced level course 3 Regulators required	_____
1_____	Humidifier Bottle	_____
1_____	Oxygen Tanks – size D or E w/wrench Advanced level course 3 oxygen tanks required	_____
*_____	Sphygmomanometer (B/P) Adult – (1 per 5 students)	_____
1_____	Sphygmomanometer (B/P) Child	_____
1_____	Sphygmomanometer (B/P) Infant	_____
1_____	Stethoscope, Training with dual earpieces	_____
*_____	Stethoscope (1/student) – documentation if student-provided	_____
1_____	Suction Device, Portable- Battery Powered	_____
1_____	Traction Splint (unipolar or bipolar) with Accessories	_____
2_____	Sets of Padded Board Splints (3 sizes per set) (2 each, approx.- 15”, 36”, and 54”) _____	_____
2_____	SAM Splints	_____
2_____	Wire Ladder Splints	_____
1_____	Long Backboard with accessories	_____
1_____	Half-spine Immobilization device (wood or plastic)	_____
1_____	Vest-type Immobilization Device (example- KED)	_____
3_____	Cervical Collars (3 sizes or 3 adjustable)	_____
1_____	Head Immobilization Device (commercial or improvised)	_____
1_____	Ambulance Cot, adjustable w/ mattress & linen	_____

* Documentation required if student provided.

Note- Available Items Must Not Come Off Of A Registered Ambulance!

Required Equipment & Supplies for EMT Basic, Intermediate and Paramedic Courses
(con't)

<u>Quantity</u>	<u>Description of Item</u>	<u>Notes</u>
1_____	Folding Stretcher w/ restraints <i>(available)</i>	_____
1_____	Poison Kit (activated charcoal)	_____
1_____	PASG Garment – Adult	_____
1_____	Oxygen Mask (Venturi) for demonstration	_____
1_____	Oxygen Masks- Adult (Nonrebreather)	_____
1_____	Oxygen Mask- Adult (Simple) for demonstration	_____
1_____	Oxygen Mask- Pediatric (Nonrebreather)	_____
1_____	Oxygen Mask- Pediatric (Simple)	_____
1_____	Oxygen Tubing – 6’ length	_____
1_____	Nasal Cannula	_____
1_____	Suction extension tubing	_____
1_____	Catheter, Suction – Rigid	_____
1_____	Catheter, Suction – Flexible (adult & pediatric)	_____
1_____	OB Kit	_____
1_____	Burn Sheet	_____
1_____	Vaseline gauze	_____
1_____	Moulage Kit or Equivalent	_____
1_____	Box of Hypoallergenic Tape 1” or 2” or 3”	_____
12_____	Triangular Bandages	_____
1_____	Box of 2” X 2” Gauze dressings	_____
1_____	Box of 4” X 4” Gauze dressings	_____
6_____	ABD – 8” X 10” or 9” X 12” Trauma Dressings	_____
12_____	Roller Type Bandage (i.e. Kling or Kerlix)	_____
*_____	Penlights or equivalent (1 per student)	_____
1_____	Tongue Blade	_____
1_____	Automated External Defibrillator- with Defibrillation Pads (or Simulator / Trainer)	_____
1_____	Defibrillator Manikin (must be able to receive live shocks)	_____

* Documentation required if student provided.

(available)- Must show letter of agreement for agency providing equipment.

Note- Available Items Must Not Come Off Of A Registered Ambulance!

Required Equipment & Supplies for EMT Basic, Intermediate and Paramedic Courses
(con't)

* _____	Protective Eyewear (1 per student)	_____
1 _____	Infectious Disease Packets (Gloves, Gowns and Goggles)	_____
1 _____	Pocket Mask w/ one way valve, O2 inlet	_____
1 _____	Nitroglycerin Training Bottles	_____
1 _____	Hand Held Inhaler and Spacers	_____
1 _____	Tube of Glucose or Substitute	_____
1 _____	Box Gloves, nonsterile	_____
2 _____	Epinephrine Auto Injector Trainers	_____
1 _____	Stair Chair <i>(available)</i>	_____
1 _____	Scoop Stretcher <i>(available)</i>	_____
1 _____	Set of Triage Tags	_____
1 _____	Sterile Water or Saline	_____

Required Equipment & Supplies for Intermediate and Paramedic Courses

<u>Quantity</u>	<u>Description of Item</u>	<u>Notes</u>
1_____	Venous Practice Arm	_____
1_____	Tourniquet for IV Administration	_____
50_____	Each IV Catheters - 22 gauge	_____
2_____	Each IV Catheters – 14g, 16g, 18g, 20g,	_____
2_____	Infusion Sets, butterfly – various sizes	_____
10_____	IV Administration Sets – Macro drip	_____
1_____	Blood Administration Set for Demonstration	_____
2_____	IV Administration Sets – Micro drip	_____
1_____	Box Alcohol Preps	_____
**12_____	500 or 1000ml IV Solutions – Normal Saline	_____
**12_____	500 or 1000ml IV Solutions – Lactated Ringers	_____
** _____	D50W Preload Syringes	_____
2 _____	Sharps Container (any size)	_____
2 _____	IV Extension Tubing	_____
1 _____	Intubation Manikin (Adult)	_____
1 _____	Combitube – with syringes	_____
1 _____	PTL- Pharyngo-tracheal Lumen	_____
1 _____	Tube Lubrication Gel (Water-based lubricant)	_____
2 _____	Lubricant, silicone spray or appropriate device	_____

**** For training purposes only, may be expired.**

Note- Available Items Must Not Come Off Of A Registered Ambulance!

Required Equipment & Supplies for Paramedic Courses

<u>Quantity</u>	<u>Description of Item</u>	<u>Notes</u>
1_____	Intubation Manikin (Infant)	_____
**12_____	D5W, 250ml or 500ml	_____
1_____	Intraosseous Infusion Manikin	_____
4_____	Intraosseous Needles (16g or 18g)	_____
1_____	Length Based Resuscitation Tape or equivalent	_____
1_____	Hemostat	_____
1_____	Each Magill forceps, Adult & Pediatric	_____
1_____	Nasogastric Tube	_____
2_____	Laryngoscope handles, with batteries	_____
1_____	Each, Laryngoscope Blades- 1, 2, 3, and 4 (curved)	_____
1_____	Each, Laryngoscope Blades- 0,1, 2, 3 and 4 (straight)	_____
2_____	End-tidal CO2 Detectors	_____
1_____	Endotracheal Tube, 3.0	_____
1_____	Endotracheal Tube, 4.0	_____
1_____	Endotracheal Tube, 5.0	_____
1_____	Endotracheal Tube, 6.0	_____
3_____	Endotracheal Tubes, 7.0	_____
3_____	Endotracheal Tubes, 8.0	_____
1_____	Endotracheal Tube, 8.5	_____
1_____	Endotracheal Tube, 9.0	_____
1_____	Each Stylette, Adult & Pediatric	_____
2_____	50cc or 60cc Syringes	_____
2_____	20cc Syringes	_____
2_____	10cc or 12cc Syringes	_____
2_____	5cc or 6cc Syringes	_____
1_____	Box, 3cc Syringes, with Needles (or needles separate 1 1/2")	_____
1_____	Box, 1cc Tuberculin Syringes	_____
_____	20g or 22g Needles (1 per student)	_____
1_____	Pulse Oximetry Device (<u>available</u>)	_____

**** For training purposes only, may be expired.**

(available)- Must show letter of agreement for agency providing equipment.

Note- Available Items Must Not Come Off Of A Registered Ambulance!

Required Equipment & Supplies for Paramedic Courses (con't)

<u>Quantity</u>	<u>Description of Item</u>	<u>Notes</u>
1_____	Defibrillator (with oscilloscope and printer, transcutaneous pacing system and capable of synchronized cardioversion).	_____
2_____	EKG Cables	_____
1_____	Box Electrode Pads	_____
2_____	Rolls EKG Paper	_____
1_____	Arrhythmia Generator- (Compatible with manikin and monitor/defibrillator)	_____
2_____	Pacing Pads or Combo Pads	_____
1_____	Set- Defibrillation Pads	_____
1_____	Tube- Electrode Gel (Defibrillation)	_____
1_____	Obstetrical Delivery Manikin (<i>available</i>)	_____
1_____	Needle Decompression Manikin (thoracic injuries)	_____
2_____	Three-way Stopcock Valves (for I.O. Administration)	_____
1_____	Bottle Normal Saline or Bacteriostatic Water or Sterile Water for Injections	_____
***_____	Variety of Preloaded Syringes (can be expired) for Practice on Manikin Arm	_____
1_____	In-line small-volume nebulizer/ with BVM capabilities	_____
1_____	Each Needle, 10g or 12g or Crico Kit (for cricothyrotomy)	_____
1_____	Cricothyrotomy Trainer **or**	_____
	Tracheostomy Trainer	_____
1_____	Automatic Transport Ventilator (<i>available</i>)	_____
1_____	CPAP/BiPap unit (<i>available</i>)	_____

***** For State/National Registry exam, must include atropine, epinephrine 1:10,000, and dextrose 50% plus several others.**

(available)- Must show letter of agreement for agency providing equipment.
